Attendance: Larissa Brookes, Cara Berg, Marissa Lieberman, Lauren Antolino,

Meeting called to order at 2:07; last month's minutes approved.

- Larissa is planning a meet up for those going to NJLA. Larissa will send out some dates and time ideas to the membership before the Conference.
- Larissa emailed the Conference Committee about the tote bag idea and is still waiting to hear back. At this point, we will plan for next year so it's in the Conference registration information and people are aware of the initiative ahead of time.
- Larissa has been getting calls from others inquiring about starting a Repair Cafe. She's looking to do a Repair Cafe program at the end of June on a Sunday at Ridgewood Library, and is interested in doing another one for our Section, as well.
- Marissa talked about how a Cranford staff member is working on creating craft projects from reusing old reference books, like a lamp and table. Our Library's SLI committee has been meeting regularly for the Sustainable Libraries Initiative.
- Meeting adjourned at 2:20pm
