

# TECHNOLOGY SECTION MINUTES

Date: January 10, 2023

Time: 2:30 - 3:20

## Attendees

Rich Loomis	Heather Lubchansky	Cathy DeCampi	Maureen Langley
Doug Baldwin	Mike Grgurev	Selaw Shamy	Mi-Sun Lyu
Kiana Kirby			

## Notes

### Conference

- The tech section will be partnering with NJ Makers Day for a program.
- We will also be part of LibraryLink's in-person tech meet-up.
- Rich has offered to assist with tech support at the conference.
- We're still waiting to hear if our conference proposals have been accepted.

### Website

- If anyone has useful resources that can be shared with NJLA members on memberclicks, send them to Cathy DeCampi. We'll start collecting them so we can build a more robust web presence.

### Techfest

- Maureen presented the current state of Techfest planning. They are looking for a main speaker to discuss solutions to digital inequality.
- They are also looking for presenters for the 20 quick topics. Maureen will share the details.

### Other Business

- Maureen told us about the new Sphero Indi Robot.
- Doug gave us a rundown of the new hearing loop his library is installing.
- Heather updated us on the implementation of mobile print at her library.
