Marmoset of the Month

	Library	Amount owed per addressless person	Amount owed by average patron	Confirms Hypothesis?
1	Newark	$59.87	$126.50	Yes
2	Monroe	$0	?	Yes
3	Bernards	$23.58	$6.77	No
4	Madison	$0.15	?	Yes
5	Morristown	$43.75	$6.61	No
6	Long Branch			Pending
7	Elizabeth			Pending
8	New Brunswick			Pending

Notes:
1) Right now it's 3-2, in favor of the hypothesis. If it were 2-2, it'd be a coin toss. Addressless patrons and addressed patrons would be equally likely to rack up fines. The data now shows that addressless patrons are less likely to have more fines than the average patron.
2) These are rough numbers, I need to go through to look at the wording to see if the "average patrons" are everyone including the addressless patrons, or solely those with

permanent addresses. There's an outlier in at least one the library's addressless patrons numbers too that would substantially lower their number if removed.
