* NJLA Committees carry out the business and planning of the Association. Members of committees are appointed by the President based on the submission of Committee Choice forms submitted by members. Vice-Chairs are selected by the First Vice-President/President-Elect each year. Those appointed as vice-chair serve as chair the following year. Functions and composition of each committee are explained in the NJLA Code for Committees.

** Sections represent distinct areas of library activity or work or other common interests. Sections are created by the membership and are governed by their own by-laws. All members in good standing are eligible to join any and all sections of the Association. Section members elect their respective officers once per year in accordance with their bylaws.
