TECHNOLOGY SECTION MINUTES

Date:	November 8, 2022
Time:	2:00 - 3:00

Attendees

Rich Loomis	Heather Lubchansky	Cathy DeCampli	Wendy Clarkson
Doug Baldwin	Mike Grgurev	Tanya Finney Estrada	

Notes

Conference Proposals
- Rich is submitting the proposal for the lunch program. We will put out calls for additional presenters if necessary. (6-8 people, 5-10 minute presentations.)
- Rich volunteered to be part of a digital equity and inclusion panel.
- Tanya brought the STEM showcase idea to the Makers Day board but they declined.
- Mike or Heather (sorry, I didn't include it in my notes) brought forward the idea of platform agnostic discovery layors as a program.

Other Conference Items
- Should we have a table at the conference? The group agreed that we should even if it cannot be staffed throughout the conference.
- We can provide promotional material while the table is unmanned.

Website
- Cathy will continue to update the minutes.

NJLA
- Section members should consider seeking office next year.

Action Items

- Doug and Rich will send out a conference proposal call over the list-serv.
