NJLA Conference 2016

- Brown Bag Lunch was very popular
- Music Advisory was well received - focus for future program should be on either public or academic, not both
- Ideas for 2017 conference: cross-format advisory and historical fiction readers' advisory

Adult Services Forum

“Brick and Click: Training and Development for Library Leadership”

Monday, October 24 @ Monmouth County Library Headquarters in Manalapan Township

NJLA Continuing Education

RART needs to host a CE program this year. We can collaborate with another section. Webinar seemed to be best format. Still coming up with ideas.

More info from email:

As discussed at the NJLA Leadership Orientation, one goal of the NJLA Strategic Plan is for each NJLA committee and section to offer at least one CE event per year. This event may be in the form of a fee-based, half-day or full-day in-person event, or a webinar via Adobe Connect. This can be for an event that your group sponsors alone or co-sponsors with another NJLA group or an organization outside of NJLA. Collaborations are highly encouraged.

Deadline to submit proposals is September 15th.

Summer Reading

Some members mentioned that their summer reading stats were down -- looking for fresh ideas on summer reading program -- possible program idea?
