3. **Bylaws review – Tabled for next meeting**
4. **NJLA 2020 Conference Proposals (May 27, pre-conference, May 28-29 at Harrah’s Resort, Atlantic City)**
 - a. *Patron-driven Acquisitions*

Teresa contacted contact Chuck Dolan who was not receptive to doing a program. Ken French was unable to contact Tina Marie Doody. Both participated in a similar panel presentation in 2014. At this point, we do not have enough time to organize a program.
 - b. *3D Collection Management: Demand, Donations, and Discards*

Managing high-demand titles, donations and discards; panel participants: Ken French, Morris Balacco, Yvonne Selander. Teresa will contact Linda Tripp and panel for details.
 - c. *Cataloging and Managing a “Library of Things”*

Susan will ask Emily Weisenstein from Livingston Public Library. Elena Turner of the Gloucester County Library System will participate and write a blurb for the conference organizers. Evalina Erbe of the South River Public Library also collects cake pans and is able to participate. A possible title is “Lawn Games, Cake Pans and Wi-Fi Hotspots ... Oh My!”
 - d. *Graphic Novels*

No panelists are available.
 - e. *Future topic*

Yumi Choi from BCCLS suggested a future topic. Third-party Amazon vendors and other non-standard library vendors sometimes ship bootlegged copies or otherwise inferior quality materials. There is insufficient time this month to research the topic and flesh it out into a conference session.
 - f. *Section table*

There is not a November deadline to request a table. Lisa has a contact to set this up.
5. **New Business**
 - a. Field trip: tour of Rutgers Technical Services building (Piscataway): Katrina has a contact. We could also visit the storage facility next door in the annex. We will look for a March date: Thursday or Friday (not March 20).
 - b. Teresa will try to have intern, Ethan Fria, do a survey of the TS/Collection Development membership.
 - c. Teresa is also trying to get our meeting dates on the NJLA web site calendar.
