3. Events

- a. Tour of State Library - March 23, 2023
 - i. Participants reflect on the tour yesterday. Special interest in rare materials and digitization equipment. Budget seemed small for collection dev. But it turns out departments have their own small budgets
- b. Evaluating book and media vendors
 1. 2nd part April meeting
 - a. Initial idea was April but we can push. We should send out a survey for questions. Set up similar LibraryLinkNJ...more skillsharing than lecture/panel. More an open Q&A/Skillsharing

2. Need to recruit presenters
 - a. Linda Tripp may be able to participate. Lisa Thornton has a possible contact (who would not do a conference program). Lisa would be happy to contribute from the academic end
 - c. Cataloging for non-catalogers
 - i. Maybe reach out to BCCLS catalogers who did the program. It's been a while and they aren't active section members at the time
 1. Teresa reached out to BCCLS staff, at this point they cannot come to meetings, may need to circle back to them eventually
 - ii. Could reach out to BCMC for possible presenters
 - d. Possible on Long Island City – BookOps. NY Public library sorting facility - Linda looking into
 - i. Possibly Fall 2023
 1. Linda Tripp has found a contact and has a place to start, perhaps October etc. depending on weather!
4. Conference - May 31-June 2, 2023
 - a. Approved Sessions
 1. Many sessions approved in conjunction with other sections
 2. Everyone is working on their sessions or with their session contacts
 - ii. When Subject Headings Go Bad
 - iii. Reclassified w/ CUS BCMC
 - iv. Book Challenge Toolkit w/ Intellectual Freedom
 - v. The NJ/DE Hub of the DPLA – Expanding Access to Digital Collections in New Jersey and Delaware w/H&P
 1. Katrina moderating
 - b. Create flyers for sessions.
 - i. We can brainstorm on that together. Brilliant ideas can be sent to Teresa/Katrina to help!
5. Discussion
 - a. What do people think about the changes to original text of old books Roald Dahl,
 - i. We don't purchase edited versions of music, why would we purchase the changed versions? We at SCLS would only keep "classics"
 - b. Beata asks how we handle unauthorized headings in overdrive/Hoopla records in LS2PAC import? There are some patrons who do use them but getting rid
 - c. Memberclicks updates or possible platform change ... eventually. Some members having issues especially if the institution they are at are now members as an organization
 - d. Trying to add staff at NJLA to do Office level things and leave Volunteers for the fun content for the members
 - e. New NJLA Executive director starting
 - f. Jess from NJLA says conference is very exciting this year
